ORDER

It has come to notice that the L-1F Licensees/Importers of foreign liquor are applying for Export Permit in the office of Asstt. Commissioner (Permit) for getting Export Permit in respect of liquor consignments to be dispatched out of Delhi on the basis of Import Permit. On scrutiny of few Import Permit it has been noticed that the same does not find mention the name(s) of the brand(s) of liquor and quantity but simply indicating the quantity in bulk liters. Further, the particulars/documents regarding brand and label registration in respect of importing goods in concerned states where the liquor consignments are to be exported from Delhi are also not indicated. Absence of those vital information leads to manipulation of applications by the licensees for misuse of Export Permits causing violation of Excise Act as well as loss of Govt. revenue.

In view of the above, all the L-1F Licensees/importers/exporters of foreign liquor are hereby directed that applications for Export Permit shall also invariably contain hard copies of the following information/documents:-

- (1) Import Permits explicitly indicating the brand name of liquor, size and the quantity to be imported.
- (2) Proof of brand and label registration of the brands in favour of licensees where the liquor consignments is to be imported.

Further EVC of the consignment exported shall be submitted within 21 days of dispatch of export consignment along with copy of GRE.
