No. 2627-30

Dated: 28/09/2015

ORDER

It has been noticed that some Hotels/event managers/Venues for events etc. are holding functions/events without intimation in Form '5' (ticketed event) or Form '6' (Invitee Programme) as required under the Delhi Entertainment and Betting Tax Act, Rules and directions issued by the Department from time to time.

The Department has taken steps for ease of business and delivery of acknowledgement/Entertainments Tax letters for both invitee and ticketing programmes online.

However, it seems that some are not using this facility. Recently, we have come across a Five Star Hotel having a programme without intimation. This is irregular and the Department will be forced to take stringent action against such hotels and venues which may include stoppage of future programmes.

All Hotels and Event Managers are, therefore, directed to ensure that they hold the events/programmes duly complying with the Entertainment Tax laws and rules and make use of the online facilities.
