CIRCULAR

In some recent inspections of the licenced premises of Hotels/Clubs/Restaurants, the inspection teams have observed that a few underage customers (i.e. below the age of 25 yrs) were found consuming liquor pretending to have completed the minimum age, on the basis of fake IDs produced by them before the employees of the licensees. The employees of the licensees claim to have served the liquor only after verifying their age by means of age proof produced by the customers on their mobile phones.

The matter has been reviewed and accordingly, all the license holders of Hotels/Clubs/Restaurants are hereby advised to be more careful in future while serving liquor to any person apparently under the age of 25 years and verify customers' age only with a physical ID instead of virtual IDs shown on mobile phones.

This issues with the approval of competent authority.
